

# KRISHI VIGYAN KENDRA, RAYAGADA

କୃଷି ବିଜ୍ଞାନ କେନ୍ଦ୍ର, ରାୟଗଡ଼ା

**Training conducted during 2024-25**

Discipline	Clientele	Title of the training programme	Duration in days	Venue (Off / On Campus)	Number of participants
Home Science	Farmers/ farm women	Entrepreneurship development through paddy straw mushroom cultivation	1	On campus	25
Plant protection	Farmers/ farm women	Some important pest and diseases of field crops and their management	1	Off campus	25
Crop production	Farmers/ farm women	Integrated weed Management in Maize	1	On campus	25
Home Science	Rural youth	Paddy straw mushroom cultivation to enhance income generation of SHGs	1	On campus	15
Plant protection	Rural youth	Training programme on Skill training on scientific beekeeping to rural youth	1	On campus	30
Crop production	Farmers/ farm women	Integrated Weed Management in cotton	1	On campus	25
Crop production	Extension personnel	Introduction of seed production in pigeon pea	1	On campus	10
Crop production	Farmers/ farm women	Integrated Weed Management in Groundnut	1	On campus	25

Crop production	Farmers/ farm women	Integrated Weed Management in Ragi	1	Off campus	25
Home Science	Farmers/ farm women	Nutrition gardening for nutrition security of tribal farm families	1	Off campus	25
Plant protection	Farmers/ farm women	Integrated pest management in cotton	1	On campus	25
Horticulture	Farmers/ farm women	Package of practices on cultivation of dragon fruit	1	On campus	25
Home Science	Farmers/ farm women	Skill training on Paddy straw mushroom cultivation and mushroom spawn production	1	On campus	30
Crop production	Rural youth	Vocational training on vermicomposting	1	On campus	30
Plant protection	Extension personnel	Integrated approach for pest and disease management for cotton to minimize residual effect on environment. (In service)	1	On campus	10
Plant protection	Farmers/ farm women	Training programme on integrated pest and disease management in rice	1	Off campus	25
Plant protection	Rural youth	Training programme on integrated pest and disease management in Vegetable crops (RY)	1	On campus	15
Horticulture	Farmers/ farm women	Agro-techniques for chilli cultivation	2	Off campus	25
Horticulture	Rural youth	Vocational training on plant propagation technique for rural youth	5	On campus	30

Home Science	Farmers/ farm women	Training on Gender mainstreaming through SHGs	2	On campus	25
Crop production	Farmers/ farm women	Integrated nutrient management in pigeon pea	1	Off campus	25
Horticulture	Farmers/ farm women	Agro techniques for Guava production	2	On campus	25
Horticulture	Rural youth	High density planting in fruit crops	2	On campus	15
Plant protection	Farmers/ farm women	Integrated pest and disease management in rice.	2	Off campus	25
Plant protection	Farmers/ farm women	Integrated Pest and Disease Management in pulse crops	1	On campus	25
Plant protection	Farmers/ farm women	Training for master trainers for Scientific beekeeping	1	On campus	20
Crop production	Farmers/ farm women	Utilization of residual moisture and nutrient management in rice pulse paira cropping.	2	Off campus	25
Crop production	Rural youth	NADEP composting and its application	1	On campus	15
Horticulture	Farmers/ farm women	Scientific cultivation practices on onion	1	On campus	25
Plant protection	Rural youth	Vocational training on Mechanical and biological management of pests and diseases in field crops	1	On campus	30

Plant protection	Farmers/ farm women	Training programme on integrated pest and disease management in cotton	1	Off campus	25
Plant protection	Farmers/ farm women	Training programme on integrated pest and disease management in winter vegetable crops.	1	On campus	25
Crop production	Farmer/ farm women	INM in sunflower	1	Off campus	25
Crop production	Farmer/ farm women	Preparation of Bio-inputs of Natural farming	1	On campus	25
Plant protection	Farmer/ farm women	Integrated pest and disease management in oilseed crops	1	Off campus	25
Plant protection	Farmer/ farm women	Integrated pest and disease management in fruit crops.	1	On campus	25
Crop production	Farmer/ farm women	Crop diversification in rainfed upland	1	Off campus	25
Crop production	Farmer/ farm women	INM in greengram	1	On campus	25
Plant protection	Rural youth	Scientific Beekeeping (RY)	1	On campus	15
Plant protection	Farmer/ farm women	Identification of pest and their management in fruit crops.	1	On campus	25
Crop production	Farmer/ farm women	Integrated Nutrient Management in Blackgram	1	Off campus	25

Plant protection	In -service	Use of invasive pest and their management	2	On campus	10
Plant protection	Farmers/ farm women	Integrated pest and disease management in groundnut	1	On campus	25
Plant protection	Farmers/ farm women	Integrated pest and disease management in greengram and blackgram	1	On campus	25
Plant protection	Rural youth	Use of bio-pesticide in different field crop	1	On campus	15
Plant protection	Farmers/ farm women	District level training programme on Strengthening of FPOs	1	On campus	25
Horticulture	Extension personnel	In-service training on “Xeriscaping, vertical gardening and new technologies in landscaping”	1	On campus	10
Horticulture	Extension personnel	In-service training on “Hi - Tech Horticultural Technologies in Banana”	1	On campus	10
Plant protection	Rural youth	Integrated Pest Management in field crops (STRY)	1	On campus	15
Plant protection	Farmers/ farm women	Training on Use of bio-pesticides in different field crops (RY)	1	Off campus	15
Plant protection	Farmers/ farm women	Invasive pests and their management (In-service)	1	On campus	10
Crop production	Rural youth	Use and importance of Rhizobium culture in pulse crop	1	On campus	15

Crop production	Farmers/ farm women	Integrated Nutrient Management in rice	1	Off campus	25
Plant protection	Farmers/ farm women	District level training programme on Strengthening of FPOs	1	On campus	25
Horticulture	Rural youth	Importance of protected cultivation in green house /shade net house (RY)	1	Off campus	15
Horticulture	Rural youth	Plant propagation techniques in fruit crops	1	On campus	15
Horticulture	Farmers/ farm women	Cultivation practices on cashew cultivation	1	On campus	25
Plant protection	Farmers/ farm women	Integrated Pest and Disease Management in mango	1	On campus	25
Plant protection	Rural youth	Stored grain pest management (RY)	2	On campus	15
Crop production	Rural youth	Seed Production of sunflower (RY)	2	On campus	15
Crop production	Rural youth	Crop diversification in rainfed agriculture (RY)	2	On campus	15
Crop production	Extension personnel	Preparation of Bio-inputs of Natural farming	2	On campus	10
Horticulture	Farmers/ farm women	Agro-techniques for tomato cultivation	1	On campus	25

Horticulture	Farmers/ farm women	Scientific cultivation for cultivation of okra	1	On campus	25
--------------	------------------------	---	---	-----------	----

Horticulture	Farmers/ farm women	Scientific cultivation for cultivation of marigold	1	On campus	25
--------------	------------------------	---	---	-----------	----
