

**Training Calendar for the year 2025**

<b>Name of KVK: Krishi Vigyan Kendra, Rayagada</b>					
<b>Sl. No.</b>	<b>Title of the training</b>	<b>Date</b>	<b>Venue : (On - campus/ Off-</b>	<b>Target groups</b>	<b>No. of participants</b>
1	Improved production technology of Dhaincha	20.05.25	KVK campus	Farmers and farm women	25
2	Integrated weed management in Maize	26.05.25	KVK campus	Farmers and farm women	25
3	Integrated nutrient management in Cotton	16.06.25	KVK campus	Farmers and farm women	25
4	Crop Diversification in rainfed upland	30.06.25	Bhamini	Farmers and farm women	25
5	Integrated weed management in Finger millet	07.07.25	Bagsola	Farmers and farm women	25
6	Integrated crop management in Pigeon pea	30.07.25	Rupapadar	Farmers and farm women	25
7	Integrated nutrient management in Blackgram	20.08.25	Gugurpang	Farmers and farm women	25
8	Preparation of Bio Inputs of Natural farming	03.09.25	KVK campus	Farmers and farm women	25
9	Integrated Nutrient management in Sunflower	08.10.25	Bada Achhaba	Farmers and farm women	25
10	Integrated Nutrient management in Cabbage	04.11.25	Rupapadar	Farmers and farm women	25
11	Cropping intensification in rice fallow area	03.12.25	KVK campus	Farmers and farm women	25
12	Integrated Nutrient management in Sesame	20.12.25	Pradhaniguda	Farmers and farm women	25
13	Package of practice of okra cultivation with successful results	23.05.25	Penkam	Farmers and farm women	25
14	Chilli cultivation with advance guidance for successful growth and yield	27.05.25	Pradhaniguda	Farmers and farm women	25
15	Agro techniques for guava production	13.06.25	KVK campus	Farmers and farm women	25
16	Nursery management and bed preparation	25.06.25	KVK campus	Farmers and farm women	25
17	Scientific method of cultivation in drumstick	04.07.25	KVK campus	Farmers and farm women	25
18	Nutrient management in brinjal	11.07.25	Arei	Farmers and farm women	25
19	Package of practice in cultivation of marigold	01.08.25	Nalpanda	Farmers and farm women	25
20	Different types of mulching in fruits and vegetable and its benefit	08.08.25	Ghanantri	Farmers and farm women	25
21	Package of practice for cultivation of garden pea	04.09.25	KVK campus	Farmers and farm women	25
22	Innovative technology for Allium (onion cultivation)	10.09.25	KVK campus	Farmers and farm women	25
23	Training and pruning in fruit crops	17.10.25	KVK campus	Farmers and farm women	25

24	Intercropping in vegetable crops	31.10.25	KVK campus	Farmers and farm women	25
25	Integrated disease and pest management in oilseed crops	06.04.25	Rupapadar	Farmers and farm women	25
26	Scientific beekeeping	20.05.25	Dambasara	Farmers and farm women	25
27	Integrated pest management in summer vegetables	28.05.25	Omding	Farmers and farm women	25
28	Scientific beekeeping	16.06.25	Bhalerikudia	Farmers and farm women	25
29	Integrated disease management in vegetables	11.07.25	Nauda	Farmers and farm women	25
30	Integrated pest management in cotton	07.08.25	KVK campus	Farmers and farm women	25
31	Integrated Pest and Disease Management in ragi	20.08.25	Sanhuma	Farmers and farm women	25
32	Integrated pest disease management in rice	11.09.25	L.L. Pur	Farmers and farm women	25
33	Integrated Pest and Disease Management in pigeon pea	24.10.25	KVK campus	Farmers and farm women	25
34	Integrated Pest and Disease Management in winter vegetables	29.11.25	KVK campus	Farmers and farm women	25
35	Pest and disease management in fruit crops	11.12.25	KVK campus	Farmers and farm women	25
36	Integrated pest management in pulses	22.12.25	Gugurpanga	Farmers and farm women	25
37	Value addition of Tamarind	16.04.25	KVK campus	Farmers and farm women	25
38	Gender mainstreaming through SHG	14.05.25	KVK campus	Farmers and farm women	25
39	Training on designing, layout and development of nutritional garden for household nutrition security	17.06.25	KVK campus	Farmers and farm women	25
40	Enterprise development through paddy straw mushroom cultivation	08.07.25	Srirampur	Farmers and farm women	25
41	Use of women friendly farm equipment for drudgery reduction	18.08.25	L. L. Pur	Farmers and farm women	25
42	Training on tuberose cultivation	16.09.25	KVK campus	Farmers and farm women	25
43	Store grain pest control through ITK	16.10.25	Arei	Farmers and farm women	25
44	Training on rearing of improved poultry breed for income generation and nutrition security	13.11.25	Bhaleri Kudia	Farmers and farm women	25
45	Training on scientific brooding management of chicks	26.11.25	KVK campus	Farmers and farm women	25
46	Oyster mushroom cultivation by farm women for income generation	13.11.25	Gugurpang	Farmers and farm women	25
47	Oyster mushroom cultivation by farm women for income generation	09.12.25	KVK campus	Farmers and farm women	25
48	Training on preparation of ragi malt	23.12.25	KVK campus	Farmers and farm women	25
49	Method of soil sampling, analysis and interpretation of results	26.11.25 27.11.25	KVK campus	Rural youths	15

50	Integrated Farming System for Livelihood security	09.02.26 10.02.26	KVK campus	Rural youths	15
51	Techniques of vermiculture and vermicomposting	11.11.25 12.11.25	KVK campus	Rural youths	15
52	Seed production of Pulses	16.12.25 17.12.25	KVK campus	Rural youths	15
53	Techniques of nursery raising of vegetables in shade net house	24.07. 25 25.07.	KVK campus	Rural youths	15
54	Plant propagation techniques in fruit crops	19.09.25 20.09.25	KVK campus	Rural youths	15
55	Importance of protective cultivation in green houses/ shed net	14.11.25 15.11.25	KVK campus	Rural youths	15
56	Scientific package of practices for orchard management	11.12.25 12.12.25	KVK campus	Rural youths	15
57	Integrated pest and disease management in vegetables	11.09.25 12.09.25	KVK campus	Rural youths	15
58	Preparation and use of different types of traps to manage pest	03.10.25 04.10.25	KVK campus	Rural youths	15
59	Importance of natural enemies for control of insects -pests in	19.11.25 20.11.25	KVK campus	Rural youths	15
60	Honey bee rearing	11.12.25 12.12.25	KVK campus	Rural youths	15
61	Training on Mushroom spawn production	05.06.25 06.06.25	KVK campus	Rural youths	15
62	Paddy straw mushroom cultivation by school dropouts	17.07.25 17.07.25	KVK campus	Rural youths	15
63	Value addition of Tamarind	03.12.25 04.12.25	KVK campus	Rural youths	15
64	Floriculture is a profitable enterprise for lean season unemploy	06.08.25 07.08.25	KVK campus	Rural youths	15
65	Weed management in rice	16.07.25 17.07.25	KVK campus	Extension functionaries	10

66	Practices of Natural farming	27.01.26 28.01.26	KVK campus	Extension functionaries	10
67	Application of hi-tech horticultural technologies in fruit cultivation	25.08.25 26.08.25	KVK campus	Extension functionaries	10
68	Updating IS personnel knowledge on application of precision agriculture	10.11.25 11.11.25	KVK campus	Extension functionaries	10
69	Pest and disease management using biological method	27.11.25 28.11.25	KVK campus	Extension functionaries	10
70	Integrated pest and disease management in horticultural crops	18.12.25 19.12.25	KVK campus	Extension functionaries	10
71	Preparation of nutritious diet from locally available resources	10.12.25 11.12.25	KVK campus	Extension functionaries	10
72	Preparation of vermicompost	19.08.25 20.08.25	KVK campus	Extension functionaries	10
